To ensure that all guests, pet owners and non-pet owners, enjoy their stay we have established the following Pet Policy.

Pets are only allowed in your personal R.V. and on your campsite. Please note that due to Health department regulations, pets are not allowed in rustic cabins or cottages.

If your pet joins you for your stay at NLB, you must observe the following. Failure to comply with NLB's Pet Policy will result in loss of the guests' camping privileges and no refund of camping fees.
